Importing Agreement:

This agreement is between _____ (further known as the exporter) and **US Importing** (further known as the importer). US Importing is a DOT registered importer importing Canadian vehicles to the United States.

1. The exporter agrees to pay all applicable fees and duties associated with the import of each vehicle they import to US Importing.
2. The exporter is required to comply with all laws pertaining to the import of vehicles into the United States.
3. The exporter will do a recall check and compliance before the vehicle is imported. Proof of "no open recalls" is required for each vehicle.
4. All importing fees are due with **7** days of import.
5. Exporter will be responsible for any penalties implied from US Customs for mistakes or mishaps from the exporter.
6. A signed agreement is required before any importing can begin.
